3rd. MOSELEY supplies families with the best the market affords, and you can find a fresh supply always ready.

BANKER CIGARS.

PUFF OF SATISFACTION.—Nothing is more grateful than the solace of a good-flavored and free-smoking cigar. Such are Mehegan's Bankers, the best cigars for their price in the country. They have become so universally popular in North Carolina, in Raleigh particularly, that all the inveterate smokers are breaking their pipes.

We honestly think two boxes of Mehegan's Bankers might be induced to influence even tirant to compassion in regard to the suffering Cubans.

We recommend the Bankers, and know whereof we affirm, for as we write we are consoled with the proud satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

Pink Hardie is agent for the Bankers, and says he has a letter from Mr. Mehegan, saying that the stock in them is better than ever. Go and try them. july 27-tf

THE INQUISITION ESTABLISHED IN THE EXECUTIVE OFFICE.

While the great writ of right, the *habeas corpus*, expressly guaranteed to every citizen by the constitution of the State and of the United States, is set aside by the order of the Governor and the process of the Judicial Department of the Government, the Governor seems to have set up an inquisitorial court at the Executive office, by which his prisoners are subjected to examination in secret, and the revelations extorted from them in the dread of their imprisonment, and by what other means the public knows not, are published through his paper, to traduce and villify, or cast odium on all he desires to hunt down in order to carry the approaching election. Meanwhile his military continues to make arrests and endeavor to intimidate voters, as their first object, and in the next, to procure evidence of some kind or other to sustain his course of usurpation.

In what respect does this differ from the inquisitions of the depostisms of absolute monarchies, where victims were placed on the rack and subjected to personal tortures until they were compelled to give evidence to suit the wishes and designs of the authority which had them under its power? to family and friends, and dread of a mock trial for condemnation and summary execution by a military Court, any less powerful means of extorting confessions, true or false, to answer the end in view, than cruel inflictions on the person? Is evidence thus obtained any more to be trusted or regarded as truth in the one case than in the other?

The Governor knows that it is not; yet he is endeavoring by such means to extract stories of the guilt of men whom he has not allowed to be heard in their own defense, and to hold them up before the country as some excuse for his disobedience to the Judiciary, disregard of the Constitution and violation of the rights of defenseless citizens. He stands before the country outlawed by the decision of the Chief Justice, who has directed the bodies of some twenty-five citizens, by judicial process, to be brought before himself, as the highest officer of justice in the State; and he not only refuses but prevents the execution of the order by the high hand of military power.

He says he cannot obey because he is sworn to execute the law. What law is higher or more sacred in the Constitution or in the statutes than the law of *habeas corpus?* What is the liberty of the citizen worth without the privilege of this law?

But not only is this great law of liberty disregarded, but advantage is taken against the prisoners and persons of their acquaintance of extorting from them confessions, no doubt under promise of favor, to implicate and calumniate others, if not to condemn them.

Let no one be led off by such attempts to draw off attention from the great fact that the Governor is acting in open hostility to the law and constitution of the State, and stands convicted in the fact by the decision of the Chief Justice.

SECRET SOCIETIES.

The people are now seeing and feeling the curse of these jacobinical institutions. Holden, the head centre of one of them, is arresting with the power of the sword, everybody who ever belonged to any other than his own. But he can justify his conduct by the same arguments that Robespierre and Danton did theirs.

But suppose Holden declares Wake county in a state of insurrection and begins to arrest men who belonged to secret societies, what will be the fate of his friend Richard Badger? Why, his net would rake in Richard on the first haul, for, as we have learned within the last few days, he organized several secret societies in the county about the time he was teaching the doctrine that the negro was made by a different God to the one that made the white man. We don't know what the name of this organization was, but from the doctrine he was preaching about that time, we suppose it must have been the "white brotherhood."

Mr. Ed. Parish is also said to have belonged to the same organization before he joined the Leaguers and got into the revenue. We don't know anything of the matter, only from rumor; we suppose they do.

That Grand Development.

It was given out on the streets yesterday by Holden's underlings that startling Ku Klux disclosures would be made to the public through the *Standard* of this morning. And sure enough, "the mountain was in labor and brought forth a mouse." The *Standard* of to-day contains a card purporting to have been signed by sixteen citizens of Alamance county, and a separate card purporting to be signed by Mr. Jas. E. Boyd. The substance of the card first above referred to, is that there are two organizations in Alamance county,—one called the "Constitutional Union Guard," and the other, the "White Brotherhood." They say that they understood these organizations to be purely political and for the mutual protection of their families; that after they had been in operation for some time, they found some of the members perpetrating crimes and outrages to attain political ends, which would shock christian and civilized people. These gentlemen say they, by this card, dissolve their connection with these societies and advise all other people to do likewise. The substance of Boyd's card is to the same effect, except that in the card signed by him alone, he goes into some details about his being a candidate.

Now we have nothing to say in reference to the view these parties take of the societies named by them. It is to be regretted that they did not cut loose from these secret organizations long ago and denounce them and the "Union Leagues" and "Heroes of America," as well. They are all alike political and all alike have perpetrated crimes and outrages. But there is this—no one of these men say that the object of either of the two organizations was to perpetrate crimes and outrages—they say no such thing. The most that can be made of what is said, is that some of the members of the two organizations would have committed shocking crimes, but it is not pretended that these crimes were perpetrated by the direction or connivance of the organizations, or that they were instituted for such purposes.

We say unhesitatingly, let those who have committed these or any outrages be tried and punished according to law, and let this be done promptly in decency and order. But we add here, that numberless similar crimes perpetrated in various sections of the State, especially in Robeson, Lenoir, Jones, Orange, Caswell and Wake and other counties, by Union Leagues and Heroes of America, be dealt with in like manner. Let them all be tried according to the law of the land. These two last named societies gave rise to the others as we believe, and members of both have committed crimes; the Governor and his co-workers have, for purely political purposes, made war upon the "Constitutional Union Guard" and the "White Brotherhood," while he has given the Leagues and Heroes free rein, and, indeed, encouraged them in their crimes; when they have occasionally promptly pardoned them, and without any pretence of ground for such interference so far as the public could see or know.

We have said and repeat, that the armed and lawless movement of Holden is purely a *political one*, he does not care for the peace and good order of society so he and his satellites hold on to power and office, that is all they want, and if any thing were needed to make this more manifest, the two "cards" published in the *Standard* today will do so. Any one reading them cannot fail to observe that they have been extorted and are written to order, that they bear a *political tone* and *bias* and are not a simple statement of facts,—this is especially so with Boyd's card; it is a *political campaign document*, as every one will say on reading it, it states no special facts, deals in generalities and mere insinuations and looks like the off-spring of Holden's pen—indeed, while the card purports to be written at Graham, it was in fact written and considered in the Governor's office on yesterday and finished after the appearance of the SENTINEL yesterday evening. This whole publication is only one more step in carrying out the details of their infamous conspiracy to carry the election for Holden & Co., by force, or to defeat it altogether. Why publish those cards, if the intent is not to make political capital? Is it not manifest that they are calculated to prejudice any one to be charged with the crimes which it is said have been committed?

It is not so much this, as to make political capital for the election next week. The cards amount to very little, but it is apparent that they have been extorted by threats and promises. It is well known that Holden released Boyd and has had him about his office for several days past and has all at once made him *a gentleman and a Radical.*

It is well known that Holden and his co-conspirators have done their utmost to connect some prominent gentlemen of the State with what they call the *Ku Klux*, and hence, Holden has made this new tool of his say, "it has also been reported and greatly believed among the members of the organizations that a number of the leading Democrats and Conservatives in this State are members and that they have directed the organization in its wicked and bloody operations." How that language sounds like Holden and the *Standard!* And how it sounds like wilful falsehood! Why say a number of leading Democrats and Conservatives? Why not give their names or the names of a few of them? Why not state the facts on which he bases his statement? Why sneak about it in this way? This is the language of one knowing himself guilty of falsehood and fixing up the means of escape. Holden knew and Boyd knew that if he made such a charge against any named person that his wilful falsehood would be exposed at once, hence, the sneaking, cowardly and mean insinuation which could not be met, but which it was hoped would have some effect at home and abroad. Shame on such business!

TO ALL OPPOSERS OF THE HOLDEN RADICAL ADMINISTRATIN. BEWARE! BEWARE! BEWARE!

If you are honestly opposed to Radicalism and especially to that form of it, which is so despicable in North Carolina, you cannot vote for any man on the Radical ticket. If you vote for Mr. Phillips or any other Radical nominee, your vote is directly cast in support of the Holden Radical Administration. Can you do this and do your duty to the State? You cannot.

As honest men and good citizens with all the lights before you, you cannot vote to sustain Holden's corrupt, wasteful and extravagant administration. If you are friends of law and order—friends to the great charter of our liberties—the writ of *habeas corpus*, the right of trial by jury and a free ballot, you cannot vote for a Radical nominee.

The election is close at hand. It is your right to vote, and Holden and his minions have no right to deprive you of it. *Be sure to register. Go to the polls and work and vote for the triumph of liberty and law and right.* Vote for the Democratic Conservative nominees.

Examine your tickets. Don't rely upon any one but tried and true men, and vote for no others.

Beware, beware of Radical falsehoods close upon the election. They are now concocting them. The State will be flooded with Radical falsehoods about Ku Klux, &c.—The most extravagant stories will be told about the disclosures of the Ku Klux in Alamance and Caswell. By threats, promises and bribes they will suborn men to make shocking statements. Believe them not. Watch and wait, till these matters are all properly investigated. Vote, vote, vote! Truth and honor and safety and law and order, require you to vote yourself and to urge all your friends to vote.

Don't be alarmed! Let no threats, promises or pledges, deter you from voting.—Radicalism and Holdenism must be put down, or the State and the people are ruined beyond recovery.

WHO SHALL PAY FOR HOLDEN'S WAR?

The *Standard* begins to see that the people of the State are resolved, without reference to party distinctions, not to pay the vast sums of money unlawfully applied by the Governor and Treasurer in arming the men who, at the bidding of Holden, have been and are now subverting the Constitution and laws of the State and outraging, unspeakably, the right and liberty of private citizens. Whether the Legislature is Conservative or not, Holden & Co. will find that the people won't pay him for playing the tyrant, and that too with the view to forcing popular will to sustain him and his contemptible satellites.

Hence, the *Standard* says, the counties of Alamance and Caswell will have to foot the expenses of this lawless armed movement. If they were legally bound to do so, they could not pay the expenses, which cannot fall short of $500,000. But they are not bound to pay it. This armed move[illegible]ry, it is directly in the face of the law. This is manifest to the common observer, and many of the ablest lawyers in the State have given it as their legal opinion that the whole proceeding is illegal. Besides, it will be remembered, that Chief Justice Pearson refused expressly to pass any judgment as to the legality of the armed men, he was pressed to do so, and said the question was not before him. The people of Alamance and Caswell are not responsible for the expenses of this armed despotism. We respectfully suggest, in view of this threat, that the citizens of these counties ought at once to take steps to test the legal validity of Holden's action and put the matter to rest. We do not doubt that any Legislature that will come together will hold Holden and the Treasurer personally responsible for every dollar so spent, so far as they are or may be able to pay.

WHO MAY REGISTER AND VOTE.

The State Constitution provides section 1, article VI, that every male person born or naturalized in the United States, twenty one years old and upwards, who shall have resided in this State twelve months next before the election, and *thirty days* in the county in which he offers to vote, shall be deemed a voter.

Now the Register of voters cannot lawfully allow any one of sufficient age to register who who has not resided in the State one year and *in the county*, where he offers to vote, *thirty* days. If any one not so authorized to register and vote shall do so, he is indictable and punishable with fine and imprisonment; and if the register of voters shall knowingly allow any one not authorized to vote as above stated, such register is likewise subject to indictment, fine and imprisonment. Let this be borne in mind by everybody.

We understand, we trust, however, that it will turn out there is some mistake, that Governor Holden's armed men white and colored, will register if they have not already done so, in the counties where they may happen to be, and vote there. If they do they are indictable, and the Register who allows them to register is indictable, as above stated. It is intimated too, that an effort will be made to vote the convicts in the Penitentiary in this county. The idea is so enormous and the proposed acts are so palpably unlawful, that surely this effort will not be made. In the first place, no one has any lawful right or power to bring the convicts out of the Penitentiary; and in the next place, the convicts are not residents or citizens of Wake county in the eye of the Constitution.

But let Executive Committees be on the look out and bring every such offender to justice. The Radicals are prepared to do such things; they are desperate and fear the reckoning of the people with them next Thursday.

The Leagues are perpetrating outrages and making attempts to intimidate their political opponents in Robeson County, and our "beloved" says not a word.

WASTEFUL EXTRAVAGANCE OF THE PUBLIC MONEY—FINANCIAL RUIN OF THE STATE.

Col. Wheeler, historian, made an address on the 1st Thursday of June, this year, at the University of North Carolina, so-called, but which, in fact, is only a charity village school, supported at the public expense, to the tune of ten to twelve thousand dollars annually. In this address, delivered at the request of the Radical leaders here, the Colonel refers to the present and future condition of North Carolina, and publishes, in a note, a financial statement taken from the officials in the Treasurer's and Comptroller's departments, embracing facts which he was required to collect as assistant Marshal under the census laws of the United States, up to the 1st June, 1870.

People of North Carolina, tax payers, read and ponder over the astounding figures thus officially embodied—receipts and expenses for *one year* to the 1st June last!—*Vote against the Radical party.*

Condition Public Treasury, June 1, 1870:

More than a million dollars a year for ordinary expenses, and not a cent of interest paid on the public debt!!!

DESPOTISM.

The question involved in the high-handed and lawless conduct of Gov. Holden, in making war on the people and depriving many of them of their liberty, is not whether men who have perpetrated crime under a mask shall be punished. Holden and his friends wish that could be made the question. Everybody says, let such offenders answer for their crimes, but let them answer according to law, let them have a fair trial and if convicted, let them suffer the extreme penalty of the law, whether that be death or less severe punishment. The law provides the amplest means to bring such offenders to justice.

But the question is, whether Holden, one man, and a small mean one at that, shall make himself a *despot* and make his will the rule of action. This is what this dirty fellow has done; he now claims to order the arrest of any man he pleases and to have that order obeyed, obeyed too at the point of the bayonet. Let the people consider of that. This fellow, an upstart without integrity or principle, sets himself up above the Constitution and law, and claims the right and exercises the power to deprive any citizen of the State whom he pleases of his liberty for such time as he pleases. This is what he does, no less and no more. Now, is there any human being so degraded in his nature as a man and as an American citizen as for one moment to Surely not. Let the people all, without hesitation, hurl this dirty scapegrace from the place he occupies by accident, and which he disgraces as no other man ever did.

NEW CODE COMMISSIONER.

It may not be uninteresting to the public just at this time, to know, as we learn, that Chief Justice Pearson has received at the hands of his Excellency, Gov. Holden, the apppointment of Code Commissioner, *vice* Victor C. Barringer, who resigned to accept a better paying place. The pay is $2,500 a year, and he gets $2,500 also as Chief Justice, so that he holds two offices as does Mr. Justice Rodman, and, each takes from the Treasury $5,000 a year. We have no comments to make upon any view of the matter at this time.

But we will add this: The Legislature passed an act abolishing this Code Commission, *and in the hurry of business at the close of the session, the act passed got lost by the indiscretion of somebody!* That is well known here and to members of the Legislature. This fact being true, we can't understand how any one having a proper self-respect or tolerable regard for legislative sanction *can continue* on the Commission much less *go on it.*

after the payment of 5 or more annual premiums.

☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this State who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines *all the* popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, *into an Annuity Bond* which provides an *income in cash through life, or for a series of years as prefered.*

Circulars giving full explanations and any other information, will be cheerfully furnished

The most liberal arrangements, will be made with first class solicitors, to push the EXCELSIOR forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

REGISTER! REGISTER!!

There is but little over a week to the day of election. Every voter in Wake county must register or he cannot vote. Don't neglect it a day, but register, and then go quietly to the polls and cast your vote against the corruptions and oppressions; the military humbugs and high taxations that are grinding you to the earth and eating up the products of your labor.

NEW ADS.—Arrow ties for baling cotton—Drewry & Barkley, Petersburg, Va. Herrings and Corn—W. H. Jones & Co.

M. E. CHURCH.—Rev. Mr. Dally, pastor of the M. E. Church, has returned to the city and will fill his pulpit to-morrow.

MORE INFAMOUS ARRESTS.—The Charlotte *Observer* states that on Saturday last, a detachment of McKee's Holdenites, stationed at Dallas, arrested two young men by the name of Beam and Haroldson, in the neighborhood of Cherryville, the head of the W. C. and R. R. R. No charges are preferred against these young men and they are still held as prisoners at Dallas.

BIG APPLES.—Mr. J. B. Suggs, residing in the eastern suburbs of this city, has laid on our table the largest apple of the season. It is of the "summer horse" species, measures twelve inches and three quarters in circumference around the shoulder, and weighs fifteen and a quarter ounces. It is a beauty in size, shape and color, and Mr. Suggs assures us it will keep at least a month if not bruised.

CANDIDATE FOR ALAMANCE.—Maj. Wm. Patterson is the Conservative candidate for the House of Representatives in Alamance, in place of James E. Boyd, withdrawn. We hope the true Conservative citizens of Alamance will assert their love of law and the Constitution, which has been so boldly outraged in their county, and put their seal of condemnation on all secret associations, by coming out to the polls and voting for Mr. Patterson. Down with all secret political societies and up with the constitution and laws, and the sacred writ of *habeas corpus*.

We call the attention of our readers to the new advertisement of the Connecticut Mutual Life Insurance Company. The large increase of its new business will show the popularity of this grand old company, issuing over five thousand policies during the last six months.

CAUGHT.—Sam Bolling and Joe Drake, two fifteenth amendments, were captured four miles from Raleigh, with two pigs in a bag, which pigs were the lawful live stock of Mr. Crocker, living in that neighborhood. They were brought to town to be dealt with, but we have not learned the result.

BAPTIST CHURCH.—Rev. J. L. M. Curry, L. L. D. will preach before the Young Men's City Mission of the Raleigh Baptist Church on to-morrow morning. Rev. William Hooper, D. D. L. L. D. will preach at night in the same Church. On Monday night Dr. Curry will deliver a free lecture on Collegiate Education.

The ladies' Memorial Association of Wilson has thoroughly organized.

TO THE VOTERS OF ORANGE.

I deem it proper to withdraw my name as a candidate to represent you in the Senate. At Hillsboro and Chapel Hill the evidence was unmistakable that the people desired Maj. J. W. Graham to represent them. I have not seen a moment in the canvass when I would not have given way for him. He is eminently the man to represent the county in these disordered times. In the last legislature he made a name for himself and well sustained the character which Orange has had for half a century for sending able men to represent her in the Legislature. I feel it my duty and the duty of every good man in the county to vote for Major Graham.

Phalon's "Vitalia" for the Hair can be found everywhere. It is clear, and has no sediment. This wonderful preparation is PHALON'S VITALIA, OR SALVATION FOR THE HAIR. Poured on the hands, it leaves no stain. It is, nevertheless, the most effective article of its class ever advertised.

The Life Sustaining Principle.

The vital and the muscular systems are entirely distinct from each other. A man may have the brawn of a Hercules, but if he is deficient in vital energy he will not wear as well, or last as long or be as healthy and happy while he does last, as the man of ordinary, or even slender build, who possesses a larger share of this animating principle. One of the greatest recommendations of that pure vegetable invigorant, Hostetter's Stomach Bitters, is that it increases the vital force of the system. No medicine can double the volume of a man's muscle, or thicken and vulcanize his thews and sinews; but Hostetter's Bitters has an effect much more important. Its use promotes constitutional vigor. It reinforces the life-power, of which bone and sinew and muscle are merely the instruments, holding the same relation to it that machinery does to steam. Let the slight and apparently fragile take heart, they may have more stamina, though far less physical strength, than the broad shouldered athletes they regard with envy. To restore, to sustain, to increase this staminal principal which, when in full supply, is the source of health and the best guarantee of longevity, is a special property of the famous restorative. It is not only a specific for dyspepsia, biliousness, intermittent fevers, constipation, &c., and a preventive of all diseases of a malarious character, but the best of all medicines for strengthening the constitution and awakening the powers of nature from whatever cause they may have become lethargic.

WORSE AND WORSE!

MORE ARRESTS BY KIRK!

THE HANGING BEGUN.

HOLDEN IS DETERMINED TO FORCE A CONFLICT BEFORE THE ELECTION, &c.

We received the following dispatch at 4 o'clock, dated

HILLSBOROUGH, July 30th.

I learn from passengers and employees of the Railroad, just from Alamance, that Holden's troops arrested thirty citizens of Alamance last night. Among them is William Patton as respectable a citizen as there is in the county, who was hung up three different times and cut down, to make him confess who hung Outlaw. The last time it was an hour before he recovered. He made no confessions to the last.

Kirk will have to arrest more than thirty men to elect Wm. A. Smith.

HABEAS CORPUS—AGAIN.

Chief Justice Pearson held this morning that the writs of *habeas corpus*, issued in favor of Judge Kerr and others, were not duly served by George Williamson,

1st. Because he was not appointed by the Chief Justice to make such demand, and

2nd. Because, being a citizen of Caswell, he was an *insurgent*, and therefore could not serve the writs.

The Chief Justice reaffirms his opinion that the writ of *habeas corpus* is not suspended and ordered that the Marshal of the Supreme Court proceed to Caswell and serve the writs.

Whether this argues that the Chief Justice intends to execute the law, or whether it is simply another scene in the farce that has been played for the last week, we can only find out by the result.

SENATOR POOL AT COBBS ISLAND.—The Norfolk *Virginian* says:

"Senator Pool, of North Carolina, and his family, in company with Mrs. E. A. Pollard, the proprietress of the St. Cloud hotel, Washington, left the city a day or two since on their way to Cobb's Island, where they propose sojourning a short season. It is rumored that the facinating celebrity has played havoc with the susceptible heart of the Dictator of the Old North State."

We shall have to notify his brother, the Reverend Solomon, of this movement of the Senator, and send him down to Cobbs Island to look after the morals of that erratic and "susceptible" relative. After setting on foot the hellish plan for overturning the Constitution and carrying the election for the Rads, "any how," as Dockery says he did, it does not look fair that he should retire peacefully to Cobbs Island to enjoy his *otium cum dignitate*, and other little refreshments, and leave Holden to do all the dirty work and incur all the responsibility, of his devilish programme.

LOOK OUT FOR HIM.—We are authorized by Prof. W. J. Palmer, Principal of the Deaf and Dumb and Blind Institution of this city, to state that a deaf mute, who has been going round in the city selling alphabets and begging, is not connected with that institution. He should not be encouraged in this vagrant life, as all honest, industrious deaf mutes can always get employment.

TRICKS OF THE RADICAL PARTY—MANIPULATING THE BALLOT—THEIR TRUMP CARD—WORDS OF WARNING.

BURKE CO., N. C., July 18, 1870.

MR. EDITOR: It seems to me that one of the most effective tricks made use of by the Radical party, in order to secure to themselves all elections to office, and thereby to perpetuate their power, has been too much overlooked—I mean their cheating at the ballot box, by manipulating the votes. Perhaps a vast majority of the managers of elections over the country are men of their stripe. Who knows what strict oaths they may have taken to play, at all times and in every manner, in the interest of their God Baal? I am convinced, from the way in which elections are managed hereabouts by this truly unscrupulous and dishonest party, that they count largely upon success, in the last resort by means of this trick. How have we stood with folded arms and seen with amazement and astonishment the systematic, shameless and flagitious tampering with this great and sacred right, by the myrmidons and electioneering tools of this infatuated party.

I therefore warn the people everywhere to look well into whose hands the management of election is placed, and to watch with jealous care, a matter upon which destiny itself depends. Look well to this trustful trump card, held back by the Jacobin party to meet all deficiencies. O perjury! O villiany! How ye stalk abroad in this land, "the best governed the world ever saw." A word to the wise, &c.

CONGRESSIONAL CANVASS—DOCKERY ON HOLDEN.

ROCKINGHAM, N. C., July 27, 1870.

MESSRS. EDITORS:—Yesterday Col. Waddell and Col. Dockery addressed the people at this place. There was quite a respectable gathering, in numbers, the African element predominating. Dockery led off, and, in the course of his speech, denounced the financial policy of Holden's administration and laid his back bare on account of his present war on the people of the State. He stated to the writer, on the train last Saturday, as he was on his way to Lumberton, that Holden told him in Washington the movement *originated with John Pool*, and he was willing to follow when Pool led. Dockery says that he replied he was not willing to follow and would not endorse it; whereupon Holden stated that "*we must carry the election any how.*" Here is the secret spring which moves the whole infamous scheme, and it is avowed, by that arch-traitor to the liberties of the people, Dockery's speech was milder than those he made in 1868, but pretty full of insidious appeals to the negroes and professions of his devotion to his interests.

Waddell made a triumphant reply and made many friends by his ability and earnestness. After the speaking was over, Dockery stated, as I am informed, that *if he had had Waddell's side of the question* he would not have left a greasy spot. I have no doubt he could have made a far better speech on the other side.

We will try to do our duty at the election.

NEW YORK.

WINDSOR, July 29.—General O'Neil and Colonel Brown have pleaded guilty to violation of the neutrality laws. They wait the sentence of the Court. Colonel Hugh McGinnis forfeited his bail.

NEW YORK, July 29.—Benjamin Nathan, son-in-law to Judge Cardozo, was murdered in his room, and jewelry taken from his safe. His head was beaten to a jelly with a carpenter's tool, known as a "dog." Servants in an adjoining room heard nothing.

FOREIGN.

LONDON, July 29.—Rev. Henry G. Williams, Professor of Arabic Cambridge College, is dead.

Parliament adjourns on the 11th of August. Gladstone proposes a bill to reassemble Parliament in six days after the adjournment.

The Ambassador to England states that France in 1866 offered to lend Prussia 300,000 men to war against Austria, if Prussia would surrender the territory between the Rhine and Moselle. The rejection of this awakened Napoleon's sympathies for Austria. These offers, which Napoleon now finds it convenient to repudiate, have been repeated since 1866.

There are rumors to-day of the successful negotiations between Lord Lyons and Duke De Grammount at Paris, whereby the preservation of peace is again assured. It is however, not generally credited.

War panic at the exchange still continues. Six more failures were reported to-day.

The *Times*, discussing Motley's recall, says this fickleness is the reproach of Republics. It eulogizes Motley, and congratulates the world that he goes back to literature.

It is rumored that the Austrian Catholics will embrace Protestantism unless infallibility is materially modified.

The British Government will quietly but firmly meet any emergency. Dock yards and arsenals are busy day and night.

The story is repeated that France offers Italy 60,000 000 livres and the evacuation of Rome for fidelity.

The demand for discounts at the Bank of England are rapidly diminishing.

The *Times* says that the drain of gold is subsiding. The amounts on the way from New York will go a long way to counteract the tendency of Prussia in the money market. The advance in the rate of interest to 5 per cent was a speculatory measure rather than a proof of an actual scarcity of money.

There has been 30 failures at the Stock Exchange since the war panic.

The depression in the Liverpool market is still very great.

PARIS, July 29.—The cable connecting France with Algeria is complete.

Many American and English newspaper correspondents were arrested at Metz as spies. They were released, but warned to keep away from the army in future.

It is stated that the return of Le Brun from the front hastened the departure of the Emperor.

Prince Napoleon is on the Emperor's staff.

Large bodies of French troops are moving northeast from Metz.

General Trochu leads a corps into South Germany.

It is thought Prussia will decline battle until the French cross the Rhine.

The Prussians are massing at Nicqua near Coblentz.

The French newspapers are furious over the restrictions regarding the publication of war news.

The King of Prussia's early abdication is rumored.

The following fortresses have been placed in a thorough state of readiness for offence and defence, viz: Fonville, Longwy Marsal, Phalbourg, Schlestadt, Belfont, Newberich, Dichtmbourg and the entire fortifications of Strasbourg.

BERLIN, July 29.—The Government has reorganized the Continental Telegraph Bureau, of Berlin, as its official reporter.

The Bureau's war bulletins will be posted throughout Germany. This establishment is the principal agency in Germany for supplying the New York Associated Press.

Count Bismarck recently submitted to the Government at Florence, proofs of Napoleon's double policy towards Italy.

Officers are forbidden to enter Prussian lines.

The North German *Gazette* has a sharp article on English neutrality, saying that England furnishes France with cartridges to slaughter Germans.

Saturday Evening Dispatches.

NEW YORK.

LONG BRANCH, July 30.—At a Union League meeting it was stated that Florida needs a more thorough organization. General Clark of Texas, reported the efficient organization of that State under Newcomb's Presidency. Conway of New Orleans, made a vigorous speech depicting the state of affairs in Louisiana, showing the persistent efforts made to deceive and seduce away members of the Republican party, under specious and false devices coming from the Democratic party.

NEW YORK July 30.—The family of Mr. Nathan offer $20,000 and the Board of Brokers offer an additional $10,000 reward for the detection of Nathan's murderers.

FOREIGN.

LONDON, July 30.—The Catholic clergy are preparing for a grand demonstration in favor of France to-morrow, which the Government will probably prevent.

Bets are freely offered that the Prussians will be in Paris within a fortnight.

SAARBUCK, July 30.—The Prussian success yesterday is admitted by the enemy. The French retired after a few rounds of cannon and musketry.

PARIS, July 30.—The Prussian troops are making ruinous requisitions upon the country they occupy, taking farmers' horses, felling trees and trampling crops.

A dispatch from Metz says that there is no signs of the enemy in front in any force.

France is organizing sharp-shooters as a home defence.

A Council of Ministers was held yesterday at St. Cloud; the Empress Eugenie presided.

COPENHAGEN, July 30.—The French fleet has arrived.

BERLIN, July 30.—A bitter feeling against England seems to prevade all classes.

The French cavalry have crossed the frontier at Perl yesterday but retired without action.

Every able bodied man between 20 and 30 years of age is now in the ranks.

METZ, July 30.—The Emperor's reception was most enthusiastic.

Martial law is proclaimed in the French towns on the Rhine borders.

PAIN KILLER. PERRY DAVIS & SON PROVIDENCE R. I. 1840 1870

This Valuable Family Medicine has been widely and favorably known in our own and foreign countries upwards of

THIRTY YEARS!

It has lost none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest.

It is an External and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has without doubt, been more successful in curing the various kinds of cholera than any other known remedy, or the most skillful physician. In India, Africa and China, where this dreadful disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates a sure remedy; and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in unskillful hands. Directions accompany each bottle.

PITTSBORO', N. C., May 6th, 1870.

T. H. BRIGGS, Esq.: Dear Sir:—I used the "Utley Cotton Press," I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612). I consider it the best and most durable Press I ever saw used, and can cheerfully recommend its use to the farmers of North Carolina.

Yours truly,
C. W. BYNUM.

FRANKLINTON, N. C., April 16th, 1870.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the *plan upon which the Utley Press works* cheaper, simpler and more durable than any I have met with.

Yours very respectfully,
JAS. R. WILDER.

RIVER LAWN, CUMBERLAND Co., N. C., April 22nd, 1870.

THOS. H. BRIGGS, Esq: Dear Sir:—In reply to yours of the 13th asking how I was pleased with the Utley Press I used last season, I would say *that it gave entire satisfaction.*

Respectfully yours,
JAS. H. BLOCKER.

HILLSBORO', N. C., April 22nd, 1870.

THOS. H BRIGGS, Esq., Raleigh, N. C.: Sir—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen.

Respectfully,
E. H. POGUE.

RALEIGH, N. C., June 18th, 1870.

T. H BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds.

Yours truly,

LIFE ASSURANCE SOCIETY

OF THE

92 BROADWAY, NEW YORK.

GENERAL AGENTS,

CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

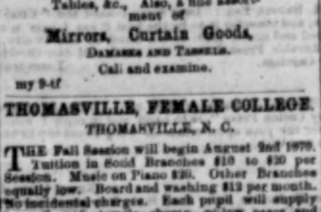
UNPREGEDENTED SUCCESS



THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition *at fairs and exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at MRS TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis.*

SWEET QUININE

is made solely from **Peruvian Bark** (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

A. BALDING'S PATENT GLASS SUBMERGED DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 2 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the States of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases.

MR. J. L. KITCHIN:

DEAR SIR,—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
